# MYTH STAFF PRESENTS FIRST SENIOR ANNUAL

Behind the closed doors of Room 124 more goes on than meets the eye. All the staff members of the Myth work long tedious hours to create a book that all the students at Doss can be proud of. The satisfaction after the final deadline is a relief from the chaos that takes place before deadlines. The Myth staff sincerely appreciates all the help and cooperation that the faculty and students of Doss have offered in helping us to make our first Senior Annual. Sponsors for the annual this year were Miss Mobley and Miss Baldwin. We would like to thank them for all the help they have given us.

If this ruler was only straight.

"Ah, you're kidding!"

Now don't you do that.

If he were only 1/16 inch taller.

Even Grandma works for the staff!

And that's the truth!

Decisions, decisions.

Watch out or I'll bite!

We three nuts of the Myth staff are!

1 mistake, 2 mistakes, 3 mistakes, 4.

I wonder if she knows what she is doing?

# MEDIEVAL TIMES KEEPS STUDENTS INFORMED

The staff of the MEDIEVAL TIMES is attempting to produce a newspaper which is both interesting and informative. To facilitate this, the staff has divided the newspaper into various sections - editorial, feature, news, and sports. Staff members have divided the responsibilities among themselves and also have given some reporting jobs to Junior High students. Under the guidance of Miss O'Bryan, the staff is able to meet their deadlines.

Scott Santoro uses his skill as a typist to help meet the deadlines.

Aw, come on! You know it's not a girl's shirt!

## *SR. HIGH STUDENT COUNCIL PROMOTES LEADERSHIP*

The Student Council is the democratic governing organization of the Doss High School student body. The Student Council strives to maintain good relationships between the administration, faculty, and students through the systematic processes of government. It is composed of selected students who are chosen by their individual homerooms at the beginning of the school year. They meet monthly to discuss the various topics confronting the students and then report back to their homerooms. Serving as officers for the Council this past year are President, Clyde Poignard; Vice-President, Lennie Bracey; Secretary, Debbie Sullivan; and Treasurer, Joe Gibson. Mr. Mashburn is the sponsor. Their main money-making project is the Faculty Frolics in the spring. Besides this they entered a float in the Homecoming Parade and they have an end of the year dance.

President Clyde Poignard and Secretary Debbie Sullivan take over at a meeting.

Mr. Mashburn speaks at the initiation of new Student Council representatives.

## *JUNIOR HIGH STUDENT COUNCIL NEWLY-FORMED*

This year the Junior High has a Student Council separate from the Senior High. The idea of the Junior High Student Council is to experiment with problems brought to the meetings by homeroom representatives in order to improve situations at Doss. At times the Junior and Senior High Councils work together on developments concerning the whole school. In any case, the Student Council is an interesting and rewarding activity. Mr. Kelly served as sponsor for the group, which was led by President, Veronica Whitehouse; Vice-President, Gene Price; Secretary, Dawn Smith; and Treasurer, Pam Cravens.

## MR. JOHN PITTENGER

For the past four years Doss has been privileged to have as principal, Mr. John S. Pittenger. We can give him credit for getting our school started and making it what it is today. He has been very active in the curriculum at Doss and has done much to make our school the best in the county.

Mr. Pittenger presided at our Ring Ceremony and gave a speech honoring the seniors. He also presented the seniors with their rings.

In the goal kicking contest, Mr. Pittenger kicked the most field goals and won the bet that the seniors had made. He has participated in several other activities at Doss.

Doss is very proud of Mr. Pittenger for all the hard work he has done in helping us to be a great school.

# BASEBALL TEAM COMPETES IN FIRST VARSITY YEAR

1970 BASEBALL TEAM: (1st ROW) B. Cox, D. Logsdon, E. Mahurin. (2nd ROW) J. Lockard, L. Creech, M. Simpson, B. Gumm. (3rd ROW) G. Hayden, B. Draper, R. Crowder, M. Salsman. (4th ROW) R. Simpson, L. Wood, D. Flowers.

ABOVE: Larry Creech claps his hands as he crosses the plate in the District Tournament against Valley. The Dragons faltered under a 7th inning rally to barely lose this key game. RIGHT: Donnie Flowers warms up on the bench in preparation for his next turn at bat. In the background is the Doss bench with Butch Cox and manager, Terry Johnson.

TOP OF PAGE: A bunt is obviously in the making here as the ball speeds toward the waiting catcher and the umpire watches closely.

LEFT: Ronnie Crowder leads off first base as the first baseman beckons to the pitcher for a pickoff attempt. Coach Smith stands in the coaches' box ready to offer his advice.

BOTTOM OF PAGE: The Doss bench watches intently while the Dragons try to score another run in their game against Bishop David.

Competing in its first Varsity season, the Doss Baseball Team shared the afflictions of most first year teams. However, in the estimations of Coach Smith, the lack of success came too often by ever-so-slight margins. The Dragons lost eleven games by two runs or less. But they excelled in defense and in pitching, and featured some fine performances by Ronnie Crowder, Burt Draper, and Larry Wood. The key to the future, according to Coach Smith, lies in the Dragons' ability to hit the ball and keep the same fine defense characteristic of the 1970 team. Should this development occur, then success should be just around the corner in 1971. Best wishes for the new season.

Outstanding performances were turned in by Butch Bates, winner of the 3rd place trophy in the shot put, and Ronnie Horning, who outclassed all opposition in the long jump and the triple jump. Also excelling were members of the Mile Relay and 880 Relay teams. According to Coach Robert Smith, had it not been for injuries to key runners, Doss could have had better results in the longer distance races. The Outlook for the future appears good, with everyone returning for what promises to be an outstanding season in 1971.

# BOYS' TENNIS WINS REGION DOUBLES TITLE

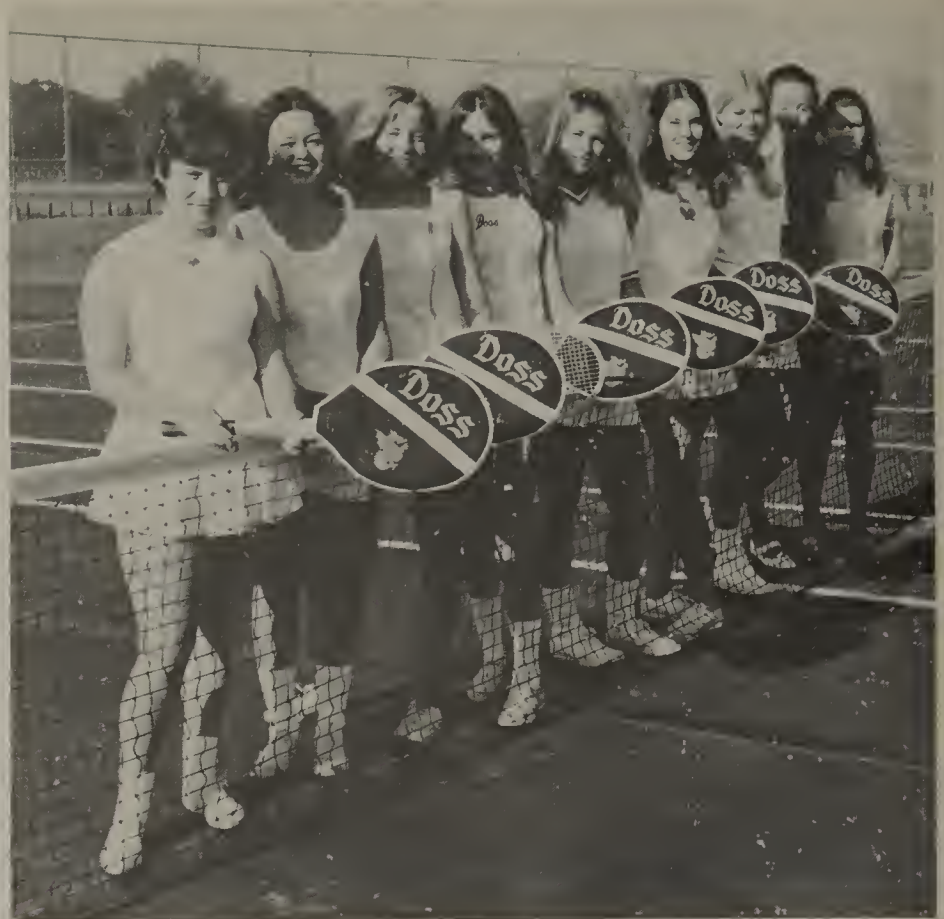

The 1970 Boys' Tennis Team posted its most successful record ever, a 13-6 mark, on the way to vast success in the Regional Tournament, accumulating a championship by the doubles team of Mike Gude and David Campbell. These two athletes led the team throughout the season, inspiring the other team members. At one point in the season the team had an 11-game winning streak. Coach Hudson expects bigger and better things from the 1971 edition of the Varsity Boys' Tennis Team. In the team picture at the top of the page, the members are: D. Sharp, M. Phillips, M. Gude, R. Shelton, D. Campbell, J. Gibson, and R. Gutmann. At left, Mike Gude smashes a backhand return at his opponent. # SECOND VARSITY TEAM POSTS A 3 — 7 RECORD

The 1970 edition of the Doss Varsity Football team, featuring Seniors for the first time, improved itself over the dismal record of its predecessor and showed a massive statistical gain over the season before.

There were three undisputed highlights in the Doss season. The first came in the second game of the season as the Dragons played host to Moore High. After being held scoreless in the first quarter, Doss scored two touchdowns in the last minutes before halftime to take a 12-0 lead into the locker room. Another touchdown was tacked on in the third quarter, with the final score being Doss 18, Moore 6, after Moore was permitted a score in the warning moments of the game. The defense shone in every part of the game, as Moore was permitted just 35 total yards.

In the fourth game of the season, the Dragons paid a visit to Pleasure Ridge Park and came away with its only shutout of the season. A second-quarter touchdown lasted until the fourth quarter when, after stopping the only serious Pleasure Ridge scoring threat of the night, Doss exploded for 21 points. Most amazing of these scores was a play with the Panthers deep in their own territory when Mike Mooser caused a fumble and Stan Walters recovered in the end zone for a touchdown. The night was capped by a 30-yard scoring jaunt by Robbie Simpson on the last play of the game. Robbie proved to be the star of the game, with his 18 points setting a school record for one game scoring.

The third highlight of the Dragon season was in the Homecoming game against Western. With the obvious inspiration gained from the Homecoming activities, the team turned in perhaps its finest performance ever. On the very first play of the game fullback Clyde Poignard burst over the left side of the line and, after eluding several tacklers, scampered 86 yards for a touchdown. Once again the defense shone, especially the defensive secondary. Jimmy Highbaugh personally intercepted three passes, and the team total was seven interceptions. Perhaps the most

spectacular play of the whole season was a Western pass that Ronnie Horning intercepted in the Doss end zone and returned 102 yards for a touchdown, running through the entire Warrior offense in the process. Doss left the field with a resounding victory and its first upset ever.

Other fixtures of the team who

deserve mention are managers Don Vester, Phil Kaufman, and Keith Foster, who kept the team running smoothly, and Statistician Daryl Shadrick, who recorded the events of each game.

In the picture below, a Doss player knocks the ball loose after a jarring tackle on a Jefferson-town player.

At the top of the page, Burt Draper rolls out to pass with fullback Clyde Poignard blocking for him, in the Jefferson-town game. In the picture to the left, Mike Simpson swings a short pass out to brother Robbie Simpson in the open. In the picture above, the Doss bench is a bustle of activity as Coach Whalin talks to his spotter and Coach Pace searches for the key to victory.
